THE ROOMS

Big Top has over 30 rooms for you to choose from for 2021.

You can always tweak these rooms to fit your company culture. Alternatively, we can build you 100% custom parties*

THE ROOMS

Each room requires a different level of production and number of performers.

To reflect this, each room costs a certain number of points. Get 1 point for each ticket you buy, 40 bonus points for Custom Parties or 200 bonus points for Full Custom Parties.

Additional points are charged at £9 each to pay for more rooms, performers or support staff. You can select as many rooms as you want with your points.

Our Top Tips.

Pick at least one unmanned room to give people space to breath and relax.

Pick one entrance room - they help get the party started, giving guests a sense of what's to come.

Don't hold back - remember this is a time for people to let their hair down and have fun!

For larger parties add more "Audience" rooms, they work better with big crowds.
