Awe Inspiring, and then some.

Award winning Just Talent Entertainment delivers immersive, memorable event experiences for high profile brands, festivals, corporate clients, SME's, venues direct, and private clients around the globe.

We pride ourselves on bringing together a collective of the industries most talented entertainers and event experts.

Our creative ability, experience and networks enables us to curate bespoke, breath taking immersive entertainment that is unforgettable, and tailored to our clients needs.

We are able to offer our clients at varying budgets but without quality ever being compromised.

"Hi Just Talent. What a fun night on Weds night?! Such an amazing evening - your guys were just BRILLIANT!" Google, WACL Xmas party"

Entertainment First.

A soul without a body is better than a body without a soul – and similarly we think entertainment is the beating heart of your event. We stand by our philosophy to always consider your entertainment first before anything else, and the rest will follow.

- Entertainment is emotive, that's why we will make sure that we deliver amazing talent that will make people go away and talk about it – remembering it for years to come.
- We will then create something immersive and thematic around your entertainment – no expensive venues necessary – we have the skills to transform any environment to wow your crowd.

Why work with us?

Our Black Book.

Our heritage and unique experience of 20 years working in the experiential, entertainments and events industry means that we hold a valuable black book of the worlds' most incredible talent.

Bang for your buck.

Just Talents methodology places entertainment at the heart of the event to give the ultimate experience. We can then select your venue, design, production and staffing and curate around your entertainment concept to bring to life the story or theme. This ensures that your budget is spent smartly for maximum effect and enjoyment.

We work with you all the way.

We will take on as much or as little as you require. From booking just talent and presenting you with your options, to the story boarding of imaginative concepts and the whole entertainment package. A bespoke solution that works to your objectives and needs.

"Can I just say that the actors were absolutely fantastic! People are still talking about them. By far, one of the best Halloween office experiences ever!"
